

Tennis Champions 2015

On Wednesday 6th May, the Y3 Tennis Team ventured to Laurence Jackson to take part in the Guisborough Tennis Competition. The competition was tough, but we battled through and managed to walk away with the winner's trophy.

The team were eager to get started on their games. The games were impressive to watch, with nail biting rallies and sensational skills. Whilst the girls were racking up the scores in their head-to-head matches, the boys were busy scoring points in the skill tasks.

Half way into the afternoon, the scores were looking promising and the team spirit was stronger than ever!

As the boys walked out onto the court for their games the girls focus moved towards the skills. As time went by, it was clear to see that the boys were a force to be reckoned with! Lewis, Levi, Harry and Thomas steadily increased their lead and gained more confidence in their ability.

During the skills tasks, the girls were competitive and eager to beat their opponents. Sky, Maddy, Stacey and Freya loved the challenge and the whole experience!

As the time ticked by, the points were harder to keep a track on. Chaloner was waiting eagerly for the final totals. Before the final scores were revealed it was hard to determine the final positions.

Slowly but surely, the scores were announced to the Laurence Jackson Team leaders and competing schools. ..

Chaloner had won the competition! The jubilation was hard to control as Levi and Stacey were awarded the trophy on behalf of the Y3 Chaloner Team.

Before heading back to school, the whole team celebrated and posed for a team photograph with the new Y3 Tennis Competition trophy!

We are now the new Guisborough Champions!!!

What a fantastic team and afternoon of tennis. The team's attitude and behaviour was exemplary throughout the afternoon. Well done everyone and a huge thank you to our school governor and tennis coach Mrs Sutton.
