

SCHOOL PERFORMANCES

Here at Chaloner Primary we know how important it is that you have a record of major milestones in your child's life, such as school assemblies, and we are happy for parents to take photographs both during and after the performances.

However we would like to remind all parents that any photographs taken at school events are for **personal** use only and we ask that they are not published online, including social networking sites such as Facebook. As you are aware we seek permission for online publication and not all parents agree to photographs being published online for a number of reasons, including child protection concerns. As a school it is important that we fully respect the privacy of such pupils and we thank you for your support in this.

If you have any concerns please don't hesitate to contact us.
